SIGHTSEEING CRUISES INTERNATIONAL | Bratislava Citytours

We are glad to offer you different City – Round Trips through Bratislava with the Oldtimer trains:

Oldtimer Sightseeing Tour through the city

The tour starts nearby the pier, where the oldtimer trains start to the city. Over the Panská – street you will arrive the Ventúrska street, further the Academia Istropolitana and at the Zichy-palace you will come to St. Martins cathedral. After the cathedral the trains continues along the Klarissen church and arrives the slender street of the city, the Bastei street and the Michaeler gate. From the Michaeler gate it continues to the main square with the old city hall and the Maximilian fountain. Further through the Laurinská street and the Hvizdoslav place, opera and back to the main square. Here ends the tour.

The history of the city, as well as further informations on the different sights, will be given to you by audio tape. During the 1 hours tour you will not exit from the train. On sunny days the train roof will be taken of and the slow tour offers good pictures.
