SIGHTSEEING CRUISES VIENNA

# GRAND DANUBE RIVER CRUISE

## Welcome in Vienna!

Discover Vienna from the waves, on board ship, the **MS Vindobona** (the master painter Hundertwasser boat) and the **MS Vienna**! Relax on board and watch the landscape, and the sights such as the Danube Tower, the Millennium Tower, the Ring Tower, the District Heating Plant Spittelau, the Urania Observatory, and many others, passing by. Experience navigating through one or two of the locks as the boat is raised or lowered where the water levels of the Danube differ because of the dams. Relish in a generous variety of cold and hot dishes, Viennese specialities and pastries, in the board restaurants.
