Special Cruises International

Passau - Vienna

In cooperation with our Austrian partner company Donau Touristik we offer a cruise on the Danube to Passau or Vienna on board ship the MFS Kaiserin Elisabeth.

The confluence of three rivers, Danube, Ilz and Inn, make for an extraordinary cityscape. Hence also the name "three-river city". The cityscape of Passau is often compared to the shape of a boat. The tip of the city seems to ply the water like the bow of a ship. The sights most visited are in the old city centre between Inn and Danube. The main attraction for most visitors in Passau is the cathedral. Both parts of the city are within walking distance equally from the landing pier and from the train station.
